IEEE Las Vegas Tech Conference Expo

Entrepreneurship Women CEO Tech

April 21, 2023, 8 am

Nationally recognized Women CEO Abir Chermiti will be leading a group of Women Entrepreneurs in a Panel Session at the IEEE Las Vegas Tech Conference and Expo. Find out how women leaders are making a difference today in the male dominated world. How they are using their talents to their maximum extent to be successful in the business and tech world. Don't miss out! Sign up today: [Register-IEEE.com](https://www.ieee.org/conferences/expos/las-vegas-2023)

Abir Chermiti is a Certified Harvard Business Strategist, Entrepreneurship & Business Coach and an Award-winning Women in Tech Ally. A Software Engineer who had a large experience working with international workplaces and organizations who decided to turn her passion into a business & started Elle Media Empire; a Media and Business Consulting firm where she helps business from startup to scale. Abir is a huge supporter of women in tech and a true believer that women can do more if they are given the space to build and create. She started her own business in the middle of a global pandemic and launched EllePod, a podcast series that features stories of women in tech and business to support women and young individuals in their career path and empower them to embrace their digital and entrepreneurial Potential.
