The Hub Event Space  
11126 NE 33rd Place  
Bellevue, WA 98004

**Neno Novakovic, PE**

Join us for a session on ethics. What is it? Why do we need it? Is Ethics different from company to company? Are ethics different in the Navy vs the Army? Are there different cultural Ethics between countries? Is it okay to give grease payments in China and in the USA it could land you in the slammer. Can we save you a seat for this very important topic? Yes

Experienced Electric Systems Engineer with over 30 years of international experience in aerospace and defense. Extensive background in design, integration, and certification of aircraft systems, including Electric Power Systems, Aircraft Harnesses, Landing Gear Systems, and Jet Engine control. Demonstrated success in aircraft system integration and certification on major international projects, including Boeing, Bombardier, Airbus, Dassault, Hawker-Beechcraft, Sukhoi, and Irkut. Working directly with international partners and customers during all project phases, such as aircraft production assembly, rig testing, and flight test support.
