IEEE Financial Session

Wealth Management Financial Planning

June 6, 2024, 12 pm PDT

Live Stream Seattle Washington

Join us for a session on wealth management. Find out how your portfolio ranks in achieving your life financial goals. How does Uncle Sam play a role in your ultimate monetary goals? What type of financial strategies can you implement today to hit those marks? Find out today all you need to know.

Tommy Nguyen is a financial advisor with Northwestern Mutual San Jose, known for his dedication in promoting financial literacy and building financial security for members in his community through comprehensive financial planning. He has built his financial planning practice on pillars of long-term relationships, unwavering integrity, trust, and a commitment to continuous education. Tommy takes pride in supporting professionals across multiple sectors, such as medical, airline, and tech, as well as serving immigrants and diverse communities. It’s both a privilege and a cornerstone of his practice to provide tailored financial guidance that empowers individuals and families to navigate toward their financial aspirations with confidence and clarity.
