## Penalty-Free Withdrawals for Birth or adoption

Inherited IRAs (also referred to as Stretch IRAs)

- ❖ An individual who inherited an IRA on or after Jan. 1, 2020, must take distributions/withdraw all funds within 10 years.
- ❖ Along with decedent's spouse, an exception is made for an eligible designated beneficiary, including a minor child (until age of majority is reached), a disabled or chronically ill person, or any beneficiary who's less than 10 years younger than the decedent

# PRIOR TO THE SECURE ACT

- ❖ Distributions could be made in a lump sum, term certain annuity, or joint and survivor annuity.
- ❖ The joint and survivor annuity could be to a spouse, a child or a trust. This inherited IRA enabled distributions to be stretched for many years after death.
- ❖ A five-year rule for distributions after death to a non spouse beneficiary applied, but not if the joint and survivor annuity was in place.
