

Vancouver Tech Conference Expo

September 18, 2026, 7:30 am

HI&S Conference Center, 19500 Langley Bypass, Surrey, BC V3S 7R2, Canada

Join us in Vancouver British Columbia for our Tech Conference and Expo. Meet up with world-renowned authors and speakers in your industry. The IEEE has over 500,000 members and 39 different Industries. They write the National Electrical Safety Code and maintain countless other standards. Come out and find out where we are building the next data center, hospital, and university. Our microgrid team will be on hand to get you started in renewable energy. Can we save you a seat? Yes
