CRUISE DETAILS

From 16-20 October 2023, IEEE-USA will celebrate its 50th Anniversary of service to U.S. IEEE Members aboard Royal Caribbean’s Independence of the Seas.

This 4-night Caribbean cruise departs from sunny Port Canaveral, Florida, to the tropical beauty of the Bahamas. The voyage will feature exclusive events, food and live entertainment, nightly group dining, four informative, fast-paced and insightful “Lightning Sessions” on a variety of interesting topics, scheduled meet-ups and much more!

Many price points are offered to encourage cabin booking from just $429/pp (not incl. taxes & gratuity) and members, friends & family are invited to attend.

See cruise.ieeeusa.org for more details on this exciting first-ever IEEE cruise.
SPONSORSHIP

Our 50th Anniversary celebration provides a unique opportunity for sponsorship – it’s not just about the cruise itself, but also the 11 months of promotion leading up to the actual sailing date in October 2023!

With nearly a year’s worth of advertising included in our sponsorship packages, there is incredible value provided at all levels across a variety of IEEE-USA platforms, including press releases, web, social, email newsletters and brochures.

Our two top-tier patron packages also provide for a physical presence on the Independence of the Seas in the classroom/events, and include a complimentary stateroom – giving you a chance to get up close and personal with cruisers in a relaxed atmosphere.
